"Working is one of the most important things to feel like an independent, confident person."

- **standUp, in.takt, Job Training Centers in Upper Austria:** Helping folks get back on their feet and ready for work.
- **Job Search and Retention Support:** Work assistance programs to help find and keep jobs.
- **Long-term Employment:** Protected work environments like filino and Smartwork GmbH
- **Qualification Programs:** pro mente job (Implacement Foundation Plus, AQUA).

Job Training Centers

- **ATZ:** Offers job rehab for folks in and after mental health crises, aiming to get 'em back to work.
- **Goals:** Clarify, stabilize, and restore basic work abilities needed for the job market, followed by job placement or training.
- **Training Slots:** 206 slots in 14 locations in Upper Austria.
- **Duration:** 15 months, including a 3-month trial period, 37 hours a week. Work hours include job training, schooling, and social work.

- **Initial Meeting:** With a responsible staff member at ATZ, application at the employment service, and a medical statement.
- **Exclusions:** Acute addiction or alcohol issues, brain damage, and lack of German skills.
- **Insurance:** Trainees are insured through the employment service and get an allowance for living expenses or transition money.
- **Funding by** employment service (AMS), pension insurance (PVA), and self-generated income.

in.takt

- **Supports and helps** unemployed folks with psychosocial needs get back to work
- **Goals:** Restore work capacity, develop career perspectives, and secure job placement.
- **Training Slots:** 90 slots in 8 locations in Upper Austria.
- **Training Structure:** 9 months, extendable to 12 months in special cases. 37 hours a week, including job training, schooling, and social work.

in.takt

- **Integration:** Into company structures, educational and psychosocial support, career development, internships, and individual training.
- **Assignment:** Through regional employment service offices.
- **Financial Support:** Participants keep their unemployment benefits. If below the minimum subsistence level (1.241,90 EUR/month), they get a top-up.
- **Funded by** the employment service (AMS).

standUp

- **Support:** For folks needing to work on their mental, physical, and social health
- **Goals:** Improve health, regain confidence, develop new life and work perspectives, coping strategies, empowerment, and better social participation
- **Slots:** 2,101 slots
- **Duration:** Up to 12 months, available in all districts in Upper Austria. Includes individual sessions, workshops, open meetings, and BBEN training (=training in a job training facility)

Im Auftrag des

in Kooperation mit

Gesellschaft für psychische und soziale Gesundheit

standUp

- **Eligibility:** Adults with low job market chances and those with multiple barriers to employment or psychosocial needs.
- **Assignment:** Through regional employment service offices.
- **Financial Support:** Participants keep their unemployment benefits. If below the minimum subsistence level, they get a top-up.
- **Funded by** the employment service

Job assistance

- **Support:** Helps clarify career perspectives, maintain work ability, find jobs, and solve workplace issues.
- **Target Group:** Folks with mainly mental health issues and employers dealing with mentally stressed employees.
- **Exclusions:** Those not interested in work, unstable health, lack of insight into problems, acute addiction, homelessness, and other disabilities.
- **Duration:** As needed, up to 12 months.

Gefördert von:

NEBA ist eine Initiative des Sozialministeriumservice

neba.at/arbeitsassistentz

Gesellschaft für psychische und soziale Gesundheit

- **Job Placement:** Find suitable jobs, mainly in the regular job market.
- **Job Security:** Considering individual and legal aspects.
- **Support:** Address social and health factors, provide competent contacts for new employees, companies, supervisors, colleagues, and support institutions.
- **Voluntary and Free:** Job assistance is a voluntary and free service.
- **Funded by** the employment service and the Ministry of Social Affairs.
- **Annual Support:** About 1,500 people per year.

SMARTWORK

NEUE ARBEIT. NEUE CHANCEN.

- **Target Group:** Folks with medium job market chances and psychosocial needs, including those with diagnosed mental illnesses and those identified by employment service advisors as having psychosocial barriers.
- **Goals:** Sustainable job placement, increased reintegration chances, skill development, and long-term health stabilization.
- **Funding:** From the employment service, the state of Upper Austria, and the pension insurance.

SMARTWORK

NEUE ARBEIT. NEUE CHANCEN.

- **Support at the Competence Center:** Individual case management and competence training in course form for 178 people per year. All course content aims at psychosocial stabilization and reintegration into work.
- **Psychosocial Support:** Ensured through individual and group settings.
- **Job Offers:**
 - **Supermarket:** *Delicatessen, shelf management, catering, school sales, kitchen, cashier. 19 hours to full-time.*
 - **Personnel Leasing:** *All job fields and industries possible. 19 hours to full-time.*
 - **Slots:** *23 in the supermarket (Unimarkt Wels) and 26 full-time slots in general job market companies (leasing).*
 - **Duration:** *12 months in the supermarket, 9 months in leasing (with a 3-month extension option upon takeover).*

Im Auftrag des

Arbeitsmarktservice
Oberösterreich
