## Additional information plenary session

### **15.30 - 15.45 History of international collaboration • Michiel Bahler •**

#### **Acute & Forensic care**

International collaboration as part of GGZ NHN's development since 1997: FACT, IHT, recovery-oriented care, and specialists in the community.

### **15.45 - 16.00 Evaluation of our practice • Eva Velthorst •**

#### **research department**

Research as an integral part of a learning organization: evaluating practice and development, recovery-oriented intake, and social connectedness.

### **16:10 - 16.25 The learning organizations • Florine Troupin •**

#### **GGZ NHN Academy**

Focus on workplace learning as a core principle, the current role of the Academy, and using AI to support learning on the job.

### **16.25 - 16.40 The new story of mental health • Annemarie Kohne •**

#### **clinical psychologist**

A vision for integrated mental health care: shifting from DSM/ICD to a holistic, relational approach based on co-creation and context.

### **16.40 - 16.55 The EU-promens song • Group song lead by Sven Keet**

A shared song capturing impressions from the EU-Promens visit to GGZ NHN
