The Commission collects and further processes personal data pursuant to [Regulation \(EU\) 2018/1725](#) of the European Parliament and of the Council on the protection of natural persons with regard to the processing of personal data by the Union institutions, bodies, offices and agencies and on the free movement of such data.

This privacy statement explains the reason for the processing of your personal data in the context of a meeting, organised by the European Commission, more specifically of the Study Visit of the EU Children's Participation Platform. It explains the way we collect, handle and ensure protection of all personal data provided, how that information is used and what rights you have in relation to your personal data. The information in relation to the processing of personal data linked to meetings and events, organised by the services of the European Commission, is presented below.

2. Why and how do we process your personal data?

Purpose of the processing operation: the European Commission collects and further processes your personal data to provide you with information about the specific meeting (before, during and after) and to process your application for participation in that meeting, that is the Study Visit of the EU Children's Participation Platform.

DG JUST contracted Cecoforma (acting as *processor*, as well as its own contractual partners) for the organisation and related arrangements of application process and related activities.

For the purpose of applications' registrations, DG JUST uses registration tool idloom.

Your personal data will not be used for any automated decision-making including profiling.
